A brief summary of current and past volunteer positions within the church?

I have served on Diocesan Council in the past and truly enjoyed being part of the Council. I have been a Deputy from this Diocese at General Convention and was amazed at the work that goes into that position.

What do you want to accomplish in this leadership role?

I believe that every person in our Diocese should have a voice at the table and as an elected clergy person on the Council, I would welcome and advocate for every person who has concerns. On that same note, I would also welcome positive feed back and ideas from everyone.

If you have served on other boards, what is your greatest accomplishment and greatest disappointment?

Being part of the Council that had to liquidate properties due to the changes in the communities, I'm proud that the decisions were not taken lightly by the elected members. Thought, prayer and discussion went into each decision. I was disappointed that our work with HR Camp wasn't fruitful in the way that I had hoped it would be.

How do you invite God's Presence? When is God most present to you in your work?

Before each meeting, I have a conversation with God as I travel that He will open my heart and my mind to His will for this Diocese and His people. God is most present in my work as I struggle with tough decisions, but He's also there for the celebrations that we have when we can see His hand in what we've done.
