

*The Episcopal Church
in Wyoming*

Name: Shirley Wildman
Church: St. Alban's in Worland
Applying for: Foundation Board (3-year term)

A brief summary of current and past volunteer positions within the church?

I have served as Region I Representative, and I have served of the Diocesan Council for six years. I was elected to represent the Diocesan Council to the Foundation, for 3 years. I also served as a member of St. Michael's Revitalization Taskforce.

What do you want to accomplish in this leadership role?

If elected I would like to continue to work on the Investment Committee to help strengthen the Capex Fund. Which is very important to me. Also, to work on the Grant's Committee, to help Parishes realize their dreams. And I serve on the Development Committee and we are working on getting the word out on how the Foundation can help parishes understand how the Foundation can be of service to the parishes in the Diocese.

If you have served on other boards, what is your greatest accomplishment and greatest disappointment?

I currently serve on the National Episcopal Church Board representing Province VI. The greatest accomplishment so far has been working to improve and strengthen the lives of all women around world.

The only disappointment I have seen is there are not enough resource or time and money.

How do you invite God's Presence? When is God most present to you in your work?

I asked for his presence and guidance to when trying to help individuals need. God is always with us when we are doing his work.
