The Rev. Linda Anderson

St. Alban's, Worland

General Convention: Clergy

Greetings,

I am the Rev. Linda Anderson and would be honored to represent the Episcopal Church in Wyoming as a **clergy delegate to National Convention in 2024**.

I have served as priest for my home congregation of St. Alban's for three years. Since January I have served at the St. Andrew's in Basin and Meeteetse when asked. I have been involved as a missionary to Tanzania for the last 10 years. I was a member of the Foundation for the Episcopal Church in Wyoming for many years. I have in the long past been a member of Council. I was the chairperson for the search committee for Bishop Smylie and I was the co-chairperson for the search committee for Bishop Paul-Gordon. I believe I have served the Episcopal Church in Wyoming to have enough background knowledge to be a **clergy delegate to National Convention in 2024**. Thank you for your consideration and vote.

God's Peace,
Linda Anderson+
