General Convention: Clergy

Retiring from the US Navy after 22 years as a Chaplain Linda and I moved to Laramie County, just outside Cheyenne. Having moved around multiple Dioceses and not been able to fully participate in the conventions I visited with Bishop Smylie and requested canonical residency. We attended St. Mark's Cheyenne where I was assistant priest. In 2013 I was offered a position at the Cheyenne VA where I served for 8 years while still functioning at St. Mark's. While in the Navy, and at the VA, I was technically under the Suffragan Bishop for the Armed Forces and Federal Ministries, who works for the Presiding Bishop. It is important to me to be involved in the Diocese, and if possible the national church. The opportunity to be a delegate to the national convention is one more way of service.
